## **Education**

### **Texas A&M University, College Station TX**

Ph.D. Agricultural Leadership, Education, and Communications, GPR 4.0 Certificate in International Agriculture and Resource Management Dissertation: Texas Extension Agents' Perceptions of Organic Agriculture and Its Implications for Training Major Professor: James R. Lindner	August 2011
M.S. Horticulture, GPR 4.0 Thesis: Linking Supply and Demand: Increasing Customer Attendance and Grower Participation at Local Farmers' Markets Major Professor: Stephen R. King	August 2008
B.A. English, GPR 3.01	December 2000

---

## **Research Experience**

Educational Program Specialist Department of Youth Development and Agricultural Education, Purdue University	August 2011 – January 2014
• Developed white paper to guide project activities • Researched website content and design of organic agriculture institutes and organizations • Developed and managed national consumer survey on food safety (n=4,000) • Conducted research on characteristics of information sources used by organic farmers and perceptions of different web-based information sources	
Dissertation Research Department of Agricultural Leadership, Education, and Communications, Texas A&M University	September 2008 – May 2011
• Developed online instrument to evaluate Texas extension agents' perceptions of and needs for information on organic agriculture • Surveyed random sample of Texas extension agents • Used SPSS to run correlations, analyses of variance, and regression models • Provided results and recommendations from research to Texas AgriLife Extension Organic working Group	
Extension Assistant Department of Horticulture, Texas A&M University	April 2009 – August 2011
• Maintained and collected data on Earth-Kind vegetable research plots • Maintained and collected data on watermelon, brassica and corn variety trials • Assisted in planning, grafting, growing, and collecting data on grafted heirloom tomato experiments evaluating vigor, disease resistance, and fruit quality • Maintained and collected data on vegetable research plots evaluating herbicides for squash production	
Graduate Assistant Department of Horticulture, Texas A&M University	January 2007 – August 2008
• Assisted in preparing, maintaining and collecting data for watermelon breeding program	

## **Research Experience (continued)**

---

Thesis Research	January 2007 – August 2008
Department of Horticulture, Texas A&M University	
<ul style="list-style-type: none"><li>Conducted interviews with farmers for study on factors influencing farmers' market participation</li><li>Developed and programmed online questionnaire</li><li>Surveyed produce consumers on shopping preferences and media outlets utilized</li><li>Used SPSS to run correlations and one-way analyses of variance</li><li>Presented results of research to local farmers' market associations and provided recommendations for increasing both qualitative and quantitative studies assessing the potential of local farmers' markets and developing recommendations for local farmers' market associations</li></ul>	

## **Teaching Experience**

---

### **Youth Development & Agricultural Education, Purdue University**

#### **Educational Program Specialist**

##### Multimedia in Agricultural Communication

Spring 2013

- Collaborated with colleague to create and teach new project-based course on multimedia
- Submitted and received SARE grant to cover costs of student projects that covered topics related to extension programming
- Created DVD with student projects and distributed to Indiana extension agents

##### Independent Study – Extension Communication in Organic Agriculture

Spring 2012

- Developed course and compiled course content
- Taught weekly session for 2 undergraduate students

### **General Academic Programs, Texas A&M University**

#### ***Graduate Assistant***

##### Aggie Access Freshman Seminar

Fall 2008 & Spring  
2009

- Developed curricula for new freshman seminar
- Taught weekly seminar with 23 students
- Advised freshmen on student issues
- Organized catered event for 300+ freshmen
- Maintained and reviewed student records
- Assisted with study abroad travel arrangements
- Supervised 9 undergraduate student workers

### **Department of Horticulture, Texas A&M University**

#### ***Graduate Assistant***

##### Commercial Vegetable Production

Fall 2007

- Prepared and maintained farm plot for lab
- Directed lab field projects

## **Teaching Experience (continued)**

---

### **Department of Horticulture, Texas A&M University (continued)**

#### ***Graduate Assistant***

##### Horticultural Sciences and Practice

- Recorded and produced electronic versions of lectures
- Maintained student documents
- Reviewed and assembled exams

Spring & Fall 2007,  
Spring 2008

##### Landscape Maintenance and Construction

- Graded exams
- Supervised and directed lab projects

Spring 2007

### **Department of Agricultural Leadership, Education, and Communications,**

#### **Texas A&M University**

#### ***Graduate Assistant***

##### Cultural Pluralism in Agriculture

Spring & Fall 2006

- Revised course curriculum and material
- Presented lectures and organized guest speakers
- Developed and graded exams and assignments for 70+ students

##### Communicating Agricultural Information to the Public

Fall 2005 & 2006

- Created grading rubric for all writing assignments
- Graded all written assignments
- Taught lab on writing various documents

##### Team Learning

Summer 2006

- Facilitated class activities on team development
- Graded assignments and exams

##### Professional Leadership Development

Summer 2006

- Prepared and presented lectures
- Facilitated class activities on leadership styles
- Assisted in grading exams and written assignments

##### Agricultural Publishing

Spring 2006

- Assisted in preparing and delivering lectures
- Assisted in grading exams and written assignments

##### Agricultural Media Writing

Spring 2006

- Assisted in preparing and delivering lectures
- Assisted in grading exams and written assignments

##### Methods in Adult Agricultural Education

Summer 2005

- Delivered presentations on adult education theory
- Facilitated class activities
- Graded assignments and projects

## Professional Experience

---

World Hunger Relief, Inc.

*Director of Local Education & Strategic Initiatives*

- Oversee and coordinate farm-based educational programming
- Advise garden manager and livestock manager on agricultural production
- Collaborate with farmers and partners to increase organizational participation in local hunger alleviation and sustainable agriculture efforts
- Participate in organizational advancement through public speaking, donor hospitality and donor tours

September 2018  
to Present

October 2017 to  
September 2018

*Chief Operating Officer*

- Work with senior fellow and directors to create strategic five-year plan
- Serve as internal leader of the organization
- Coordinate the annual operations plan and budget
- Continue to oversee farm operations

*Farm Operations Director*

- Oversaw produce and livestock enterprises on 40-acre educational farm
- Developed farm budget, production goals, and planting intentions
- Taught intern classes on livestock, pasture and soil management

August 2016 to  
October 2017

*Livestock Director*

- Oversaw livestock enterprise with 6 different species of livestock
- Developed enterprise's annual budget and production plan

December 2014  
to August 2016

*Director of Internship and International Programs*

- Oversaw recruitment and selection for 13-month internship program
- Coordinated educational programming on sustainable agriculture, community development, and missions
- Developed promotional materials for the program
- Collaborated with international partners on strategic initiatives

January 2014 to  
December 2014

Purdue University, West Lafayette, IN

*Educational Program Specialist*

- Created and managed national mail survey (n=4,000) on food safety
- Developed and implemented communication strategies for Extension efforts with organic farmers on weed management

August 2011 to  
January 2014

Texas AgriLife Extension Service, College Station, TX

*Extension Assistant*

- Wrote, edited and revised print and electronic Extension publications
- Managed 300+ Extension webpages
- Delivered presentations to farmers on current research and production techniques
- Participated in planning and submission of grant proposals

April 2009 to  
August 2011

Houston Livestock Show and Rodeo, Houston, TX

*Superintendent*

- Oversaw 64,000 sq. ft. AgVenture educational exhibit
- Supervised 60 undergraduate and graduate interns over 3 week periods
- Monitored 15,000 children on school tours

March 2009,  
2010, & 2011

Texas A&M University, College Station, TX

*Graduate Assistant*

- Assisted with lectures and labs ranging in size from 15 to 80 students
- Developed curricula for undergraduate courses

June 2005 to  
February 2009

## Professional Experience (continued)

---

Junction Five-O-Five, College Station, TX <i>Employment Consultant</i>	February 2004 to May 2005
<ul style="list-style-type: none"><li>Supervised groups of up to 15 people with varying abilities and disabilities</li><li>Maintained relationships with businesses employing our clients</li><li>Wrote summaries and reports for executive review</li></ul>	
A&T Wright, Methven, New Zealand <i>Dairy Farm Assistant</i>	July 2003- December 2003
<ul style="list-style-type: none"><li>Milked, fed and assisted in maintaining health of 800 dairy cows</li></ul>	
GW & JM Flohr, Lameroo, South Australia <i>Agricultural Trainee</i>	April 2002 to December 2002
<ul style="list-style-type: none"><li>Primary tractor driver for 4,000 row crop farm</li><li>Fed and assisted with maintaining herd of 300 sheep</li></ul>	
Heifer International, Rutland, MA <i>Agricultural Volunteer</i>	February 2001 to October 2001
<ul style="list-style-type: none"><li>Responsible for daily farm operations</li><li>Delivered educational programs and tours to various audiences</li></ul>	

## Publications

Lillard, P. T. (2010). [Review of the book *Growing good things to eat in Texas: Profiles of organic farmers and ranchers across the state*]. *Agriculture and Human Values*, 27(4), 527-528. doi:10.1007/s10460-010-9291-9

Niewolny, K. & Lillard, P. T. (2010). Expanding the boundaries of beginning farmer training and program development: A review of contemporary initiatives to cultivate a new generation of American farmers. *Journal of Agriculture, Food Systems, and Community Development*, 1(1), 65-88.

Lillard, P. T. & King, S. R. (2007). Who will produce high quality, nutritious vegetables in the future? In Patil, B. (Ed.), *Proceedings of the Second International Symposium on Human Health Effects of Fruits and Vegetables: Acta Horticulturae No. 841* (pp 545-548). Belgium: International Society for Horticultural Science.

Lillard, P. T., King, S. R., & Zajicek, J. (2007, July). Small farmer characteristics influencing farmers' market participation (Abstract). *HortScience*, 42(4), 1001.

Lillard, P. T. (2004, October). Ethical Consumerism. *The Touchstone*, 19(3).

### Extension Publications

Masabni, J. G., Daniello, F., & Lillard, P. T. (2010). *Organic vegetable production guide* (Texas AgriLife Extension Service Publication No. B-6237).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Cilantro* (Texas AgriLife Extension Service Publication No. E-277).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Cole crops* (Texas AgriLife Extension Service Publication No. E-279).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Composting* (Texas AgriLife Extension Service Publication No. E-278).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Eggplant* (Texas AgriLife Extension Service Publication No. E-280).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Fertilizing* (Texas AgriLife Extension Service Publication No. E-281).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Insect control* (Texas AgriLife Extension Service Publication No. E-277).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Melons* (Texas AgriLife Extension Service Publication No. E-282).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Planting* (Texas AgriLife Extension Service Publication No. E-277).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Soil preparation* (Texas AgriLife Extension Service Publication No. E-277).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Spinach and other greens* (Texas AgriLife Extension Service Publication No. E-285).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Squash* (Texas AgriLife Extension Service Publication No. E-286).

Masabni, J. G., & Lillard, P. T. (2010). *Easy Gardening: Sweet corn* (Texas AgriLife Extension Service Publication No. E-277).

## Awards

---

Zwickle, S., Wilson, R., & Lillard, P. T. (2012, February). *The weed management decision-making process*. Presented at Midwest Organic & Sustainable Education Service 23<sup>rd</sup> annual organic farming conference, La Crosse, WI. 3<sup>rd</sup> place.

## Grants

---

Increasing educators' awareness and knowledge of current small-scale and sustainable agriculture initiatives in Indiana through multimedia. 2012. P. T. Lillard. Sustainable Agriculture Research & Education. (\$4,600 – funded).

The creation of a campus-based food system through the development of a Student-Run Organic Farm. 2011. S. R. King, B. Grimes, P. T. Lillard & N. Proctor. Texas A&M University Green Fund. (\$50,000 - funded).

## Workshops and Presentations

---

Houston Urban Food Conference Presenter "Organic Weed Management"	July 27, 2018
Texas Organic Farmers and Gardeners Association Conference Panelist "Food Access"	February 2, 2018
Fort Bend Regional Vegetable Conference Presenter "No-Till/Low-Till Strategies in Vegetable Production"	February 4, 2016
Indiana Horticulture Congress Presenter "Assessing your goals and resources" Moderator "What I wish I had known when I started: Farmer panel discussion"	January 17, 2012
Ohio Ecological Food & Farming Association Grain Grower Chapter Meeting Presenter – Organic Weed Management	January 14, 2012
Texas Plant Protection Conference - Moderator - Horticulture and Minor Crops Session Presenter "Food Safety"	December 7, 2010
Horticulture 325 - "How to write a fact sheet"	October 11, 2010
Texas A&M Men's Garden Club - "Fall Gardening and Spring Preparation"	October 4, 2010
Texas AgriLife Extension Horticulture Retreat – "Grafting Heirloom Tomatoes for Increased Yields and Disease Resistance"	June 2, 2010
Texas A&M Men's Garden Club – "Gardening in the Brazos Valley"	March 1, 2010
Texas Conference on Organic Production Systems – "What Does A New Farmer in Sustainable Agriculture Need to Know?"	January 30, 2010
Bastrop Extension Program – "Organic Gardening"	January 27, 2010
Gnismar Farm Field Day – "Vegetable Production Fundamentals"	June 18, 2009
Williamson County Extension Turn Row Tour – "Results of Heirloom Tomato Variety Trial"	May 20, 2009

## Workshops and Presentations (continued)

---

Borlaug Institute Seminar – “Opportunities for research in Trinidad”	January 2009
Brazos Valley Farmers’ Market Association – “Linking Supply and Demand”	December 2008
Urban Harvest’s Finding to Road from Farm to Market – “Growing a Future Together (for chefs/buyers/caterers/farmers/market managers)”	February 2008
Riley Lecture Series on The Impact of Technological Change in Agriculture on Poverty and Armed Conflict - <i>Group Discussion Facilitator</i>	March 2006

## Professional Activities and Organizations

---

Texas Organic Farmers and Gardeners Association (2014-Present)  
Purdue Small Farm Team Member (2011-2014)  
Sustainable Agriculture Education Association

## Leadership Experience

---

Southern Sustainable Agriculture Research & Education (SARE)  
Administrative Council Member (March 2016 – Present)

Texas Organic Farmers and Gardeners Association  
Board Member (January 2011- August 2011, January 2015-Present)  
2011 Conference Planning Team Chair (April 2010 – January 2011)  
Financial Sustainability Committee Member (April 2010 – August 2011)

Purdue University Small Farm & Sustainable Agriculture Team  
Conference planning team committee member (April 2012 - March 2013)

Purdue University Sustainable Agriculture Major Curriculum Committee Member (2012)

SARE Grant Reviewer (2010-2011)

Sustainable Agriculture Education Association  
Outreach Committee Member (August 2009 – August 2011)

Brazos Valley Farmers’ Market Association  
Secretary (April 2007 – April 2008)

Agricultural Education Graduate Student Society, Texas A&M University  
Public Relations officer (October 2005 – March 2007)

KEOS 89.1 FM Brazos Educational Radio  
Radio Show Host (March 2004 – May 2005)
